

Timetable for Revision Books

Below is the timetable for revision books for Spring 1. The pages below are expected to be completed in each book throughout the week, and then all books are to be brought back in on the Friday to be marked. Homework club will be of a Thursday lunch time so if pupils would prefer to complete these during school time, please ensure they are brought in on a Thursday. If there are any problems, please let your child's class teacher know. Please do not mark these with your child as we will be marking these in school. Many thanks for your continued support.

Miss Moore and Miss Rathe
